ARMO'S ROTATIONAL MOLDING NEWSLETTER

jeudi 23 février 2023

### Events

#### **Sharjah's exhibitions and conference sector highlighted at global summit**

The Expo Centre Sharjah has made a noteworthy appearance at the 2023 Global CEO Summit, hosted by the prestigious Global Association of the Exhibition Industry (UFI). The new exhibitions include the 1st UAE Schools & Nursery Show, the Edilsocial Expo, the International Conference on Language, the Big Shopper Sale, the Arab Rubber Expo, the Roto-Moulding Trade Expo, and PU Tech, all of which will be held at the ECS. The Mango Festival, however, will be hosted by Expo Khorfakkan.

### **Almarin Updates Balizamar Buoy Range With Modular**

09/02/2023

Almarin launched the new EVO buoys, the evolution of Balizamar buoys. The Balizamar EVO buoys go one step further: their structure is made up of rotomolded polyethylene modular components, enhancing visibility and lowering cost maintenance. The inner structure is made of galvanized steel by immersion and the top mark is constructed of stainless steel. The hull is rotomolded filled with closed-cell EPS foam to ensure buoyancy.

### **Alpen Basecamp: Your Personal Bike Garage Disguised as a Smart, Sleek Capsule**

So, instead of relying on a lock and whatever dose of good luck available, Alpen suggests storing the bike inside a compact garage-like plastic shell. The Basecamp is made of UV-resistant rotomolded polyethylene, and just like its predecessor, it features a ball-bearing-equipped hinged half that slides upward and downward, serving as a closing lid.

### **Yamaha U.S. Marine Business Unit appoints vice president**

08/02/2023

Yamaha U.S. Marine Business Unit has named Mark Tracy as vice president. In his new position, Tracy will continue to oversee Yamaha Marine Power Sales and Marketing teams, with the added responsibility of the Marine Customer Experience (Marine Service) team. Yamaha U.S. Marine Business Unit, based in Kennesaw, Georgia, markets and sells marine outboard motors ranging in size from 2.5 to 450 horsepower. It also markets and sells fiberglass, jet-drive sport boats ranging from 19 to 27 feet and personal watercraft. The unit includes manufacturing divisions of Yamaha Marine Systems Co., Inc., including Kracor of

Milwaukee (rotational molding), Bennett Marine of Deerfield Beach, Florida (trim tabs), and Yamaha Marine Precision Propellers of Indianapolis (stainless steel propellers). Yamaha Marine Group is a division of Yamaha Motor Corporation, U.S.A., based in Cypress, California.
